

Vård- och omsorgsförvaltningen

If your child needs customized meals for religious or ethical reasons, apply through this form. A new form must be submitted at the beginning of each academic year.

For special dietary applications due to allergy or other food-related diseases and symptoms, please refer to **the Special Dietary Application Form**. For applications for a customized diet due to neuropsychiatric impairment or similar, please refer to **the Application form for customized meals**.

First and last namn	Birth date
School/preschool	Class/department
Guardians	Phone number

Eating breakfast in preschool/leisure

Eating snacks in preschool/leisure

The following diet is desired

Demi-vegetarian diet (contains vegetables, dairy products, eggs, fish and seafood)

Lacto-ovo vegetarian diet (contains vegetables, dairy products and eggs)

Vegan diet (contains only vegetables)

Note! Not complete. Guardians are responsible for supplementing with the necessary additions at home.

Pork-free diet (may involve vegetarian option)

Bloodless diet (may involve vegetarian option)

Intestine-free diet (may involve vegetarian option)

Special diets due to allergy or other food-related diseases and symptoms are also needed. I therefore also submit **the application form for special diet**.

Signature of guardian/author of the age of the student
